

NOTICE REGARDING HARTFORD FILES

The Court on its own motion has moved to make the following available to the public in the cases shown on the list which follows this notice:

1. **The docket sheet** - This includes the names of the parties, the docket number that identifies the case, the court location of the case, the names and addresses of counsel and of pro se litigants, the list of motions and actions taken, the dates of filing, the names of the judges or magistrates that acted on the motions, and whether a plaintiff or defendant filed the motion.
2. **The Motion to Seal the file** or its equivalent (if a written motion is in the file) – This document may have been filed by one of the parties asking that the file be sealed. The Court may order that certain information in the motion be removed prior to making it available to the public if it determines that the information is entitled to remain confidential.
3. **The Order to seal the file** (if a written order is in the file) – This document would contain the order of the Court sealing the file. The Court may order that certain information in the order be removed prior to making it available to the public if it determines that the information is entitled to remain confidential.

Any objection to the Court's motion must be sent so that it is received no later than June 19, 2007 to:

**State of Connecticut Judicial Branch
Court Operations Unit
225 Spring St., 2nd Floor
Wethersfield, CT 06109
ATTN: Special Docket Processing**

Hearings on all objections will be held on **July 5, 2007** at **Superior Court, 90 Washington St., Hartford, CT in Courtroom B 1** at **9:30 AM**.

If no objection is filed, the Court will review the file on the date of the hearing to determine whether the legitimate privacy interests of the parties or subjects of the litigation would outweigh the public's interest in disclosure. If the public interest in disclosure outweighs the privacy interests, then the Court may order that the information be made available to the public. The court may also order that certain information in the motion to seal and/or the order to seal be removed prior to making them available to the public if it determines that the information should remain confidential.

For questions regarding this notice or the case contact Krista Hess at (860) 263-2734 Ext. 3043 or email inquiries to SpecialDocketProcessing@jud.ct.gov.

Certain cases that have unique issues, including files that are unavailable pursuant to Practice Book Section 7-10, are not included in this phase of the review process, but those files will be addressed in a subsequent phase.
